

**Team:** Paul Boschert, Teresa Creech

**Title:** Tardis-box

**Project Summary:**

Tardis-box is a no-charge media distribution system. It will allow a potential customer view and sort the available media and, if desired, create a user account using a valid email address. The user may, delete this account, if all borrowed media has been checked in.

A registered user may view and sort the available media with the option to check-out an item. If the requested media is unavailable, the request will be waitlisted to be checked out to the user as soon as it is available.

An administrator may view and sort the media.. Only an admin can add and delete media. An administrator can delete a user account, if necessary and can handle overdue items.
